Conway Stone Dam and Harkrider Sidewalk Creek TAP  
Application

Mayor Castleberry:

We are pleased to inform you that the applications for the Transportation Alternatives Program (TAP) for Stone Dam Creek Trail and the Harkrider sidewalk construction project were selected to receive \$200,000 of Federal funding, in total, for construction. This grant requires a 20% cash match of \$50,000. These funds are scheduled for obligation in FFY 2020 or FFY 2021.

To continue project development, I have submitted the attached city resolution to ArDOT and requested a project agreement. This agreement will specify roles of the various project partners. The agreement will be finalized when the City determines the desired funding split between the two projects. Funds spent before the execution of the project agreement are non-reimbursable.

If you have any questions, please contact Casey Covington or Daniel Holland at (501) 372-3300.

Sincerely,

A handwritten signature in black ink that reads 'Casey R. Covington'.
